Based in the North-West of England, JSC Chambers provides an exceptional service to professional and lay clients, through high quality advice and first-class advocacy. Based in the North-West of England, JSC Chambers provides an exceptional service to professional and lay clients, through high quality advice and first-class advocacy. We offer a fixed fee service for the majority of our cases. Our approach is flexible and client-centered. Our services include, attending hearings, drafting documents, providing advice both in person and in writing, attending mediations and convening conferences (whether in person or remote). The services I offer include, advice in writing or in conference, drafting terms and conditions, drafting Court documents, drafting or replying to letters of claim and advocacy. My practice areas include, contract law, property litigation, landlord and tenant, employment, chancery, common law, debt recovery, defamation, personal injury and insolvency.
