Bikelawyer is a specialist firm of solicitors committed to recovering the maximum possible compensation for motorcyclists injured in road traffic accidents. Bikelawyer deals with serious, fatal and catastrophic injury cases, especially involving brain and spinal cord injuries. We also have specialist expertise in amputations and severe fracture cases and recover many millions of pounds of compensation for our clients each year. Bikelawyer has extensive experience in filtering accidents, accidents caused by diesel spills and hit and run accidents.
