Kiteleys Solicitors have been providing legal advice, specialising in Personal Injury since 1992, more recently from our large central office in Bournemouth, Dorset. In addition to Personal Injury, ranging from relatively straight forward accidents to cases involving serious head and spinal injuries, our team can also offer advice to employers upon the legal terms of employment. We provide sensitive and constructive advice upon family matters following the breakdown of your relationship (including fixed fee divorces) and help with litigation disputes such as boundary and property disputes, consumer issues and contractual disputes. To compliment our Bournemouth office we've recently opened a second office within Southampton General Hospital. A member of our team will be on-hand from 9am until 5pm, Monday to Friday to answer your questions and provide legal advice. If you would like to receive further information please complete our quick enquiry form or contact us on 01202 299992 and we'll add your details to our mailing list.
