Elite Legal Recruitment is a boutique specialist legal recruitment consultancy, focused exclusively on the recruitment of lawyers and legal business support candidates. We are focused on pioneering a new standard of expert service that is utterly attuned to the calibre of discerning legal talent we serve. We offer a full range of partner-level, private practice and in-house legal roles. We draw on the combined expertise of legally qualified and experienced recruiters that make up our team to deliver a service that deeply interprets the needs of both candidates and clients.
