Cassadys is a law firm which is fast gaining prominence as a niche provider of Business Legal services across various sectors. Based in the heart of legal London, the firm counts among its clients some of the emerging leaders in the investment, trade and software industries based within the U.K. and abroad. As litigation and dispute resolution specialists, Cassadys focuses on delivering bespoke legal solutions for clients in need of a quick turnaround to legal problems which crop up in the course of running a commercial enterprise. As compliance specialists we ensure efficacy and efficiency in the systems and operations, which every successful business needs to ensure compliance with the myriad of national and international regulations.
