Gorvins Solicitors are an established, full service law firm with roots in the North West that can be traced back 150 years. Our offices are based in Stockport, south Manchester, where we have 14 partners and over 100 members of staff acting for a diverse portfolio of clients including: Blue chip organisations, SMEs, entrepreneurs, public sector and regulatory bodies, as well as private individuals from all walks of life. We offer a first-class, personal service where our specialist teams look after all your legal needs. We have a number of award winning solicitors and as a company we have been recognised by leading accreditations, such as Legal 500, Chambers and Partners and The Law Society.
